EDITORIAL

A STEP IN HISTORY

Although this village has produced some of the finest sailing men in this country, I understand there has never been a Sailing Club House built in this area expressly for this purpose. This Club must be truly grateful to a very fine group of men and women of vision, courage, and action, at the wheel to steer this Club to success, for in about a fortnight's time, the first piles will be driven, then shall arise a Club House, which will make history in this village. Let us be thankful that there are still some people in this world who think of others, and their unselfish and untiring efforts are an inspiration to our youngsters. It is also fitting that this Club House will be built by a Champion Skipper, a product of the BAY.

LOAN UNITS

The Finance Committee has made it very simple for EVERYONE to participate in this Loan. All we ask is for you to take out a £25 Loan, and pay it over a period of twentyfour months (maximum). It only means 5/- per week. We do not ask for a gift. There is no interest on the Loan, but you will be amply repaid by the interest you will give to the youngsters of this village - so be a good soul

PERSONAL: OBITUARY: We regret to hear of the sad loss of Mrs. E. Noble, beloved mother of Mrs. R. Slight and Mr. Doug Noble. This grand lady will be missed by all who knew her.

SICK LIST: Back from an operation where he lost a small piece of his anatomy is Peter Slight, looking as bright as ever.

Very sorry to hear that Mr. Chas. Messenger is in hospital, and wish him a speedy recovery.

VACATION: Busy packing his short Shorts is our good friend, Mr. George Kiernan, about to depart on a trip abroad - on Business Only! We wish you "Bon Voyage" George.

DONATIONS: Donation of £5 from Mr. Ellis and Mrs. Piggott. Mrs. Dawson's father, Mr. Dean, donating a stainless steel sink for the Club House.

SAILING NEWS: There are about seven boats being completed in time for the Opening of the Season. Mr. R. Hogan is busy building one for his son, Dave, which should be hard to beat. Ricky Priestley has purchased last year's Champion Boat from the George's River, so we should see some keen sailing.

Lectures and practical sailing lessons will be given to our Cadet Members this year, so that we shall not be short of Crew Members, and when these youngsters become of age, they will be very proficient Skippers. The Instructors are equal to the best sailing "Salts" on the Harbour.

Yours in Sailing,

"MAC" MANSON
