Dear Sir / Madam,

Subject: Double Bay Dinghy Storage
Premises: Land abutting Bay Street & Steyne Park, Double Bay

It has come to our attention a number of dinghies / vessels are being stored illegally on Woollahra Council and Roads and Maritime Services (RMS) land at the above mentioned premises.

Storage of a dinghy and / or any other vessel outside of the Council designated rack areas is not permitted.

RMS in conjunction with Woollahra Council will be issuing notice to remove stickers in the coming week. Failure to remove the dinghies / vessels within the specified time period of the notice will result in them being impounded and/or disposed of at our discretion.

If you currently store your dinghy / vessel in this area please remove it immediately.
