

Welcome to Double Bay Sailing Club

We're thrilled you're interested in joining our club! Here's some information we hope will be useful.

About DBSC

- ▶ We are a welcoming, well-organised and competitive Laser sailing Club, supporting three classes of Lasers (Standard, Radial and 4.7 rigs)
- ▶ Our clubhouse provides storage for 80 Lasers, and we have three support boats for race management and safety. All members can have a key, so get down and get on the water!
- ▶ Our friendly and supportive membership ensures an enjoyable experience for sailors at all levels, including several state, national and world champions who are always willing to help.
- ▶ We conduct open and handicap racing for men, women and youth sailors, and consistently have 40+ Lasers competing in our races. You will find someone out sailing most days.
- ▶ Our club is managed and run by volunteers, and all our members contribute in various ways, including via a race management roster. We welcome non-sailing volunteer members.

Why DBSC?

SAILING

- ▶ The largest Laser fleet in Australia, with year-round competitive racing at all levels –Saturday afternoons August-April, Wednesday evenings during daylight savings, Sunday mornings May-July.
- ▶ A commitment to teaching with “Learn To Race” classes led by world champion, Martin White, on the first and third Saturdays of each calendar month September-April.
- ▶ A series of comprehensive coaching programs conducted by 12-time world champion, Brett Beyer, including GPS analysis, race reports, on-water coaching and an evening lecture series.
- ▶ Large groups attending regattas together, around Australia and overseas, providing great sailing and heaps of fun.
