We need your help ... to get our girls sailing again!

Four years ago our sailing program came to an abrupt end when our boatshed burnt down. We are finally in a position to start rebuilding the boatshed and get our sailing program back up and running. We have old laser hulls, but few masts, sails for rigging. We are looking for help, either with funds or donated equipment.

Come along on Friday 14 November

**To get the ball rolling we are having a sausage sizzle
as construction of the boatshed commences.**

We have the funds to cover rebuilding a basic boatshed, but we need help to re-equip the sailing program.

Come along and check out the condition of our fleet and see how you can help!
Cash donations, unwanted sails and fixtures, etc are all welcome.
